

Employment Opportunity, Assistant Professor, University of Hawaii

Assistant Professor of Epidemiology

Position Number: 0085852

Hiring Unit: Office of Public Health Studies, Dept. of Public Health Sciences, John A. Burns School of Medicine

Location: Manoa

Date Posted: February 20, 2009

Closing Date: August 07, 2009

Salary Information: Salary to commensurate with experience and qualifications.

Monthly Type: 9 Month

Tenure Track: Tenure

Full Time/Part Time: Full Time

Temporary/Permanent: Permanent

Other Conditions:

(Readvertisement) General funds, to begin approximately Spring 2010, pending position clearance and availability of funds. The Department of Public Health Sciences (<http://www.hawaii.edu/publichealth>) is a vibrant and growing department within the School of Medicine, with approximately 20 full time faculty members. There is active collaboration with faculty members from other departments and centers of the School of Medicine and the University.

Duties and Responsibilities:

- * Teach courses in infectious disease epidemiology and develop the infectious disease epidemiology curriculum, serve on departmental committees, supervise graduate research, and develop a funded program of infectious disease epidemiology research. Other duties as assigned.

Minimum Qualifications:

- * Earned doctorate in epidemiology (PhD, DrPH, ScD, etc) and/or MD

plus master's degree in epidemiology from a college or university of recognized standing; demonstrated scholarly achievement in epidemiology of infectious diseases; excellent communication and interpersonal skills; demonstrated ability as a teacher.

Desirable Qualifications:

- * Track records of research in infectious disease epidemiology, funded grant awards, publications in peer-reviewed journals, demonstrated commitment to creating a climate of research excellence and scholarly achievement, and a strong methodologic background.

To Apply:

Submit cover letter indicating how you satisfy the minimum and desirable qualifications, 3 letters of recommendation, names, contact information (including e-mail address) of at least 3 professional references, curriculum vitae, and a 2-page summary of future teaching and research plans. Email applications are not acceptable. The University of Hawaii continues to build a culturally diverse faculty and strongly encourages applications from women and members of minority groups.

Address:

Attn: Epidemiology Faculty Search Committee Office of Public Health Studies John A. Burns School of Medicine 1960 East-West Road, Biomedical Sciences Bldg., Room D204 Honolulu HI, 96822
